<p>On both sides of the Atlantic, restrictive immigration policies have been framed as security imperatives since the 1990s. This trend accelerated in the aftermath of 9/11 and subsequent terrorist attacks in Europe. In <i>Frontiers of Fear</i>, Ariane Chebel d'Appollonia raises two central questions with profound consequences for national security and immigration policy: First, does the ...

Frontiers of Fear: Immigration and Insecurity in the ...

"In Frontiers of Fear, Ariane Chebel d'Appollonia makes an important contribution by linking together what have up to now been largely separate discussions in the West over citizenship and the securitization of migration. She covers aspects of security that often escape notice in studies of migration by international relations scholars and that almost always escape notice in studies of migrant integration by sociologists and comparative political scientists.
