Grade 3 is the first intermediate-level grade (preparatory through grade 2 all falls under the “beginner” umbrella). I generally classify grade 3 as early intermediate. Because of this, my students typically spend a year or so at this level (adults and children alike). You can find the Grade 3 level page here. As always, it has a little ...

Printables for 6th-8th Grade | Scholastic | Parents

The sixth grade is the sixth school year after kindergarten. Students are usually either 11 or 12, though could be younger or older, if they are promoted (skip grades) or held back for not reaching a standard. In the United States, sixth grade has been considered the last year of elementary school or the first year of middle school.
