The Autobiography of Andrew Carnegie is
well written, but does not give the reader
very much, if any, insight into the part he
played in American history. The book starts
off with an account of his childhood, and his
first jobs as a boy. However, this is one of
only a few mentions of his career.

Andrew Carnegie Andrew Carnegie's grandfather had been the first to establish a small lending library in Carnegie's native Dunfermline, Scotland, at a time when there were no public libraries. As humble linen weavers, his family were far from well off, but the love and respect for book knowledge made a permanent mark on young Andrew.
